

ISAK SUNDAY SCHOOL

Sponsorship Form

Dear Families,

In order to provide an Islamic and Arabic education for some of our struggling families, we would like to remove the cost of tuition for their children’s education. We would like to assist these families by asking for your help.

You and your family can sponsor a student by providing them with the tuition fees for their education at our Sunday School. We have several families who would like for their children to attend, however, are financially unable.

Please take this time to consider sponsoring a child in order for him/her to attend our Sunday School and benefit from the Islamic and Arabic education we provide.

Note: (The amount includes 10% discount for sponsorship)

I would like to sponsor:

- 1 child (\$315)
- 2 children (\$603)
- 3 children (\$873)
- 4 children (\$1,125)
- 5 children (\$1,359)

If there is a specific child(ren) you would like to sponsor, please state his/her name below:
